

For Immediate Release:

**Patriots Energy Group Inc., Announces 6 Well Project With Drilling to Start July 1st**

Salt Lake City, Utah, May 22, 2014- Patriots Energy Group Inc., will serve as the Managing General Partner for Board-Breckinridge LLLP for a 6 well drilling project. Patriots Energy Group Inc., is a domestic energy development organization headquartered in Salt Lake City, Utah. The Board-Breckinridge LLLP project will be located in The Illinois Basin, New Albany Shale, specifically in Meade and Breckinridge Counties, Kentucky.

The Illinois Basin, New Albany Shale has been the subject of a study that showed it is deep enough to generate an estimated 300 Billion barrels of oil. A portion of this area in Meade and Breckinridge Counties, Kentucky, is the focus of current drilling activity for Patriots Energy Group Inc.

The first well is scheduled to be drilled on July 1, 2014.
